

# Brief Script

## Harvey

My character is James Johnson, I am an ex SAS soldier who has been leaking information to terrorists for a price. I have a good set of skills which is allowing me to evade capture for so long. I have no immediate family and no one to care about so I am not held back when on the run. I am being pursued by: Secret Agent David Thunderstorm.

## Taran

My character's name is David Thunderstorm, I am a secret agent tasked with tracking down James Johnson a former SAS soldier. He has evaded capture many times due to his high skill level and in the extract you are about to see I have finally caught up with him and am about to chase him. Let's see what happens.
